

Sensory Connections OT Services & Associates

Providing Innovative Professional Development Seminars For Those Working in Education Settings.

Sensory Connections is a private paediatric allied health practice based in Shenton Park. We are committed to providing those working in school settings information and skills that will help them support children to optimise their functioning in the school environment. Our team members have extensive experience working with children including those with a range of sensory processing, regulatory, language and developmental challenges using relationship and developmentally based ap-
